Downloading product images

David Lackner - 2021-09-01 - [Working with Aqipa - Existing customers](#)

You can easily download product images by searching for the desired products or setting a suitable filter. Select your desired resolution under "FUNCTION" and click "DOWNLOAD".

Once the download is complete, you can unzip the folder and use the images for intended purposes.

The screenshot shows a product search interface on the Aqipa website. The search bar at the top contains the text "TEAC". The search results are for "TURNTABLES (18)". The results are displayed in a grid of four items, each with a product image, name, price, and an "ADD TO CART" button.
