To the webshop registration

David Lackner - 2021-06-29 - Buy from Aqipa - New customers

To order products through our webshop, please register at https://www.aqipa.com/register.

We will check and activate your registration. The process takes about 2-3 working days, and you will receive a confirmation message upon completion.

You need to have an Aqipa customer account to be eligible. If you don't have one yet, we will contact you by email after registration.
